

Does your child have a statement of educational needs - They are entitled to FREE TRAVEL

GMPTE issue passes to ALL statemented pupils provided the Authority confirms that they are in receipt of a statement. They regularly check that their information is correct so if a pupil's statement was ceased they would with withdraw the travel pass.

Travel passes are obtained by sending a passport sized photograph with the child's details on the reverse to the SEN Team.

The team will then process and send on to GMPTE who issue the pass direct to the pupil's home address.
